Figure 1. A large, rectangular panel covered in a dense, colorful mosaic of small, circular, and irregular shapes, resembling a collage of various materials or stones. The panel is being held up by a person's hand on the right side, and a bright light source is visible in the background, creating a strong glare.

.The image shows a large, rectangular panel covered in a dense, colorful mosaic of small, circular, and irregular shapes, resembling a collage of various materials or stones. The panel is being held up by a person's hand on the right side, and a bright light source is visible in the background, creating a strong glare.
