The purple [agate slab](#) has clear texture and is deeply embedded in fashion. It uses concise fold lines to create a concise and powerful vision, which brings us positive energy and gorgeous respect. Simple lines, atmospheric coordination, exquisite and texture, geometric lines frame a square outline, no complicated splicing technology, express the beauty of simplicity vividly, and give people an atmospheric style, simple but not monotonous, pure but not simple .

We have the flexibility to handle semi-precious stones slab. Increase the use of semi precious stones by laminated other materials, For example, glass, aluminum honeycomb, granite, artificial stone, ceramic tile and other materials. We can also process semi precious stones slab into art walls, furniture, countertops, sinks and other products. Shengyao Gemstone is a factory specializing in the production of semi-precious stones / gemstone stones slab in China. The agate slab is very popular for wall decoration.
