

Ruby `require 'luster/luster'`, luster luster
`luster = Luster.new`, `luster.add_node`,
`luster.run`. `luster.run`,
Ruby
`luster.run`.

A black and white photograph of a T-shaped object, likely a piece of furniture or a decorative element. The horizontal bar is dark and textured, possibly wood or metal. The vertical stem is also dark, but the right side is covered in a bright red, textured material, possibly fabric or paper, which is slightly frayed at the top.
