

**Backlit white crystal/quartz bar counter**, is a very modern and luxurious atmosphere of furniture, a combination of exquisite craftsmanship and elegant design, adding a unique artistic atmosphere to the space. Its selection of high-quality transparent crystal material, so that the entire bar exude crystal clear brilliance, like a precious gem.

The translucent white crystal bar counter design is simple and generous, smooth lines without losing a sense of firmness, showing the essence of modern aesthetics. The transparent crystal material makes the whole bar can present a charming light and shadow effect under the irradiation of the light, just like a crystal snow and ice shining in the space.

In terms of functionality, the backlit white crystal bar counter is not only a space to serve drinks, but also a visual enjoyment. The lighting design above the bar is clever and intimate, which not only provides sufficient lighting, but also adds a lot of color to the entire space. The top of the bar is also designed with enough space to place all kinds of drinks and wine utensils, making the whole use process more convenient.

Backlit white crystal bar counter is suitable for all kinds of high-end places, such as hotel lobby, restaurant box or private villa bar area, inject a unique taste and artistic atmosphere into the space. It is not only a practical piece of furniture, but also an immersive art experience, so that people can taste the wine at the same time, but also feel the exquisite and quality of the space.
