

Wholesale Backlit Blue Aventurine Gemstone Slab, Semi Precious Stone Wall Panel

The backlit blue aventurine gemstone slab is made of natural semi-precious stone material. It is a precious gemstone decoration material. Natural blue stone is very popular with designers, but also relatively rare in nature. We took the blue part out and spliced it into a slab, so that the beautiful ones gathered together, especially beautiful. [Blue aventurine gemstone slab](#) is widely used in the background wall, floor, furniture, bar counter.
